

# SHIHARA DASANAYAKA

**B.Sc. (HONS) UNDERGRADUATE STUDENT**  
**FACULTY OF AGRICULTURE, UNIVERSITY OF RUHUNA**

I am an undergraduate specializing in crop science with a strong interest in learning, professional development & gaining practical experiences on sustainable agriculture. I possess good communication, teamwork, problem solving and time management skills, with ability to adapt different working environments. Through academic, fieldwork, and research activities, I have developed experience in crop management, plant nutrition, experimental design, data collection, laboratory practices, report writing and working collaborative to achieve goals. I am committed to continuous personal and professional development while delivering responsible and efficient work.
