About Me

Enthusiastic and results-driven professional with a strong foundation in information technology, complemented by excellent problem-solving skills and a proactive approach to challenges. Adept at collaborating in team environments, leveraging technical proficiency to contribute effectively to project success. Known for adaptability, effective communication, and a keen eye for detail. Seeking opportunities to apply and enhance skills in a dynamic and growth-oriented work setting.

Experience

Store Assistant - Hirdaramani International Export Pvt Ltd, 2019-2020

As a Store Assistant at Hirdaramani, I played a vital role in managing and organizing inventory for a global apparel manufacturer. My responsibilities included overseeing stock levels, maintaining accurate records, and ensuring efficient retrieval of items. This role honed my organizational skills and attention to detail, contributing to the seamless functioning of the supply chain.

IPPS Supervisor (In Plant Printing Solutions) - Hirdaramani International Export Pvt Ltd, 2020-2023 (August)

In my capacity as IPPS Supervisor, I led the In-Plant Printing Solutions team, contributing to the production and customization of apparel for premium international brands. This role demanded a keen eye for detail, effective communication, and strategic planning to meet tight deadlines. Managing the IPPS unit provided valuable experience in overseeing a specialized segment of the production process.
