Career Objectives

I want to be a Keen Professional Person and Update with time.

Academic Qualifications

- Completed B.Sc. Engineering degree course in Mechanical Engineering.
- I have followed M.Phil degree course related to Cad/Cam field.
- I have completed PG. Dip. in Polymer Engineering.

In-plant Training

State Hardware Corporation – Period of 3-Months

Hot and cold Processes of Steel – Mammothies, Cro-bar, Hinges
Non Ferrous, Sand casting, Normal and High-pressure Die casting – Taps, Keys, Door Handle
Blackning and Ni-Cr electro plating
Engineering work shop

Sri Lanka Ports Authority – Colombo Port- Period of 3 Months

Cast Iron, Brass & Bronze, Aluminium sand casting
Smithy Shop and Machine Shop

Professional Qualifications

Corporate Member – Institute of Supply and Materials management
Associate Member – Institute of Engineers Sri Lanka
Associate Member – Energy Managers Association
Member - Plastic and Rubber Institute

I have followed short course following short courses
Press tool die designing Injection mould designing

ISO 9001 and 14001
OSHA 18001
Nonferrous casting foundry course.
Inventory control planning
Six Sigma
Statistical Process Controlling

Computer Skills

Well experienced in Microsoft office packages word, excel and power point.
AutoCad 2018, Solid Works2016 and Auto Revit2015
Mathematical solid model designing using SAP 386 and Cosmos.
Injection mould die designing using Nes-Cad package.

Work experienced

Commercial Manager-NDurance(Pvt)Ltd-Fort (4th May 2025-Todate)

Responsible for Operational Functions.

Consultant-Asian Chill Equipment Pvt Ltd-Industrial Estate -Rathmalana(15 May 2024 - 30th April 2025)

Manufacturers of Under counter and upright freezers and chillers, fish and meat displays

Marketing, Production, Quality and Purchasing
MR for IDSO 9001-2015

Engineering Consultant (Part Time)-Forte Pvt Ltd-Mawgama-Horana(January -June 2023)

Manufacturers of sewing machines and Bonding machines to Garment industry using CNC machines. Refrigeration and Air conditioning Mini Equipments.

Head of Facilities and Maintenance–Australian College of Business & Technologies (Pvt)Ltd (1st July 2020-30th April 2024)

Responsible for maintenance and facilities management of Buildings.

Air Condition & Refrigeration Lecturer (2nd January – 30th June 2020)

Technical & Vocational Education Center, Kihaadoo, Baa Atoll, Maldives

Air Condition & Refrigeration Engineer- L M Jinasena Group(15^h May -30th December 2019)

Developing of low cost, Energy efficient Air conditioner
Introducing Mini type Construction Machineries to Sri Lankan Construction Industry
Responsible for Building services in, Juice Ambalangoda and Kasa Mirissa
Assist to Almeco Factory, Aluminium die casting and powder coating factory

Project Manager-AirTemp Engineering

Air condition Project at Havelock city Phase III

Consultant-Camso Loadstar Pvt Ltd

Writing of specification for engineering spares and materials
Introducing and writing of procedures for Inspection of engineering spares and materials
Rubber Mixing, Tyre Manufacturing and cold foaming and friction welding factories

Factory Manager –Kamal PVC Industries Pvt Ltd

Responsible for all functions of the PVC Factory such as production, Quality, Maintenance, Delivery, Welfare, Factory Administration, Security, H.R. matters of factory employees, Safety, Office management and Create good public image of the company. Management Representative for ISO 9001 and 14000 systems.

Group Engineer -Beira Brushes Ltd.

Operation & Maintenance of CNC Tufting Machines, Injection Moulding Machines, wood working Machines & Mono filament Fiber Extruders.
Responsible for Engineering workshop, Utility Machines & Logistics Equipments.
Lean Manufacturing, Green Certification, ERP System
Construction of Automatic New machineries
Ordering of spare parts at low cost using e-commerce through internet

Assistant General Manager-Special Projects –Associated Motorways Ltd

Installation and commissioning of Rubber Processing machineries.
Wrote Maintenance manuals for Tube and Motorcycle Tyre plant.
Attended to Hydraulic Engineering Problems and Machine Automation work.
Responsible for Fire, Safety and Health
Conducted training Programs on waste management and Lean manufacturing, TPM.

Factory Manager – Associated Universal Ltd (BOI Exp Fac)

Worked from beginning of factory. Involved with Installation & commission of Plant
Responsible for Production, Quality and all engineering work related to maintenance and Administration of factory. Implementing Continuous Improvement Programs, Target for cost reductions methods.
Management Representative for ISO 9001 system & QS 9000.
Product Development work of Compression, Transfer and Injection moulded Products.

Mechanical Engineer – Ceylon Paper Sacks Ltd

Responsible for maintenance of Automatic PLC Controlled Bag making machines, Flexo –Graphic printers, Total Electrical distribution system, Service machineries like Generators, Compressors Fork Lifts, utilities like Drinking and washing Water system, Factory ventilation system including central and split air conditioners.

Technical Manager – Varna Ltd.(1st Jan 1995 – 30th June 1996)

Responsible for maintenance of Automatic rotary Gravio Printers, Laminators, Slitter Rewinders, Automatic Bag Making Machines and factory Utility systems.

Design Engineer -Boeum and Leckner Multi Moulds (1st June 1994 – 30th Dec 1994)
Designing of Injection moulds and rubber mat moulds Using Nes-CAD

Mechanical Engineer -Kelani Tyres(1st May 1987 – 31st May 1994)
Designing and Maintenance of Tyres and tubes moulds. Preventive maintenance work.
Programming, detecting faults & Conducted training for Programming logic Controllers.
Developed Animated Machine simulating Programs.

Design Engineer –Frigi Engineering Services (1st Jan 1986 – 30th April 1987)
Designing & Installation of cooling Towers, Chilled water Plants and Air conditioners.
Servicing and Maintenance of Air conditioners and chilled water plants & Water Pumps.

Extra Curricular Activities

Member of Rotary Club-Moratuwa

Member of St. Mary's Union

School Prefect at Nalanda College

Committee Member of School Science Society and Sinhala Literature Society.

Secretary to Young Peoples' Association Kotikawatte Baptist Church

Interests

Watching TV news, Listening to GOLD fm Radio, Gardening and Trimming of hedges,
Construction, Maintenance and upgrading of houses.

Personal Profile

Name in Full	: Attanayake Arachchige Don Premalal Kumara Perera.
Name with initial	: A. A. D. P. K. Perera.
Date of Birth	: 8 th January 1961
Gender	: Male
Marital Status	: Married
Religion	: Roman Catholic
Nationality	: Sri Lankan
NIC No	: 610080391X
Passport No	: N8081233
Driving license No	: NDL 0148893
Home	: 39, Uyana Road, Moratuwa.
Schools Attended	: Carey College, Colombo Nalanda College, Colombo.
